Mid-Level Landscape Architecture & Land Planning Position
Murfreesboro, TN

Site Engineering Consultants, Inc. is currently seeking a self-motivated licensed or unlicensed Landscape Architect with 3-5 years of professional experience in Landscape Architecture and Land Planning. Candidates should have an aptitude for landscape architecture and land planning along with creative problem solving. Individuals should enjoy working in a team environment while possessing a stellar work ethic, good communication and organizational skills. Potential candidates will enjoy the freedom to grow under the supervision of an experienced team of design professionals.

SEC, Inc. is a multi-disciplinary design firm with over 30 years of experience in creating mixed-use developments, single-family residential, multi-family, commercial and office sites. SEC is in Murfreesboro, TN about 40 minutes southeast of Nashville. Murfreesboro is centered in Rutherford County which has been consistently ranked as one of the Top 15 fastest growing counties in the country!

Responsibilities

- Development and preparation of project deliverables and tasks from conceptual design to construction documentation and permitting.
- Production of project deliverables using hand drafting and digital media.
- Research and specify landscape and hardscape materials, products and systems.
- Development of project zoning entitlement books.
- Collaborate and communicate with clients, designers, consultants to effectively get a project designed, approved and constructed that meets the client's goals.

Qualifications

- A bachelors degree in Landscape Architecture from an accredited program.
- A minimum of 3 years of professional experience in the field of Landscape Architecture.
- Either licensed or committed to obtaining licensure.
- Strong understanding and knowledge of landscape design and construction documentation.
- Ability to work effectively on multiple projects.
- Proficiency with AutoCAD, Land F/X (Planting & Irrigation), Adobe Creative Cloud, SketchUp and Lumion.
- Proficiency in understanding local zoning regulations and permitting processes.
- Excellent organizational and time management skills.

- Excellent communication and interpersonal skills for collaboration in a team environment.

Details

- This is a full-time, in-person position in our Murfreesboro, TN office.
- We offer a competitive compensation package including healthcare, 401k, paid vacation and sick time.
- Compensation will be determined by a candidate's experience and skills.
- SEC, Inc. is an Equal Employee Opportunity Employer.

To apply, interested candidates should send their cover letter, resume and portfolio in PDF format to Rob Molchan at rmolchan@sec-civil.com.
